WISHFUL THINKING
DREAM QUILT
ACTIVITY:

• Each person should receive a square of plain paper or cardboard to write, draw, or create an image of their wish, hope or goal.

• Allow 15 minutes of work time. Put all the squares together to create a *Wishful Thinking Dream Quilt* to proudly display.

NOTE: This activity activates the multiple intelligences.

TIME
20 minutes

SEL COMPETENCY
Self-Management

PURPOSE
To create a collective visual of community wishes, hopes, or goals

Reflection: Was it more enjoyable to create your own square or to see all the squares put together? Explain.

What will you do to make your wish a reality?
